

Hello sponsors,

January 2024

Without your continued support for our Program, Apprenticeship Community Internship (ACI), we wouldn't be able to provide the necessary hands-on skill training our students need to be successful. We are forever grateful for all the opportunities that you and your company have given us and continues to offer.

We are excited to share that we have been able to expand our program and create an incredible opportunity for our students this year!

We are now offering student residential living on campus and our students are thrilled for this opportunity. As many of you know, independent living comes with many responsibilities and at ACI we believe our students are more than capable of learning the necessary skills to live independently.

We offer 2 separate dorm apartments in our student house where up to 2 residents (per unit) can share a bedroom, a living room, kitchen, and bathroom. The students will be able to exercise their job training skills maintaining the large backyard and inside cleanliness of the home as a team. The students have the option to choose 1,2 or 3 nights a week.

If you wish to give a donation it will give a student(s), the opportunity to start their journey to independence. Cost of living in the residential apartments for a student are as follows:

Once a week \$200/Month

Two times a week \$400/Month

Three Times a week \$600/Month

Each month the student you sponsor will send you a letter or pictures of how their month living independently has impacted their life or what they have enjoyed the most!

If you are interested in sending in a donation, please contact Sherri Crechiola by phone or email. Donations can be accepted by cheque, cash or e-transfer to info@aciapprenticeship.ca. Tax receipts will be given.

As always, thank you for being the change we wish to see in this world! You are making a difference.

Thank you from the bottom of our hearts,

Sherri Crechiola

Sherri Crechiola

Director of Apprenticeship Community Internship

Dear _____,

I, _____ thank you so much for the opportunity to gain experience and knowledge at the student house this semester! I feel such pride and happiness to be give this chance to flourish!

I enjoyed:

While living at the residence I learned this new skill:

I appreciate your kindness and generosity and giving me the chance to embrace this learning experience and move in a direction of growth and independence.

I hope to keep working on this skill next semester:

It was really cool to have a roommate and move into the college campus!

My roommate and I connected during our time together at the student house and we made/did:

Thank you,

I have attached a couple pictures to show you!!
